

Transforming How Maine Rents Property

Padzilla, our on-line, web-based rental application system, is now fully operational, and the benefits to you are a few clicks away:

1. Applicants can apply for a unit even if they live outside Maine;
2. Applicants can apply 24/7 any day of the year;
3. Less paper work/paper handling in your offices;
4. Tenant can be directly charged by Tenant-Net, freeing you from screening costs;
5. Your Reports of Tenancy sent via the web earn cash (\$4.00) or credits.

We're certain Padzilla will permanently transform how property is rented in Maine. Come see the future: visit us at Padzilla.Com, the monstrous new division of Tenant-Net, from the friendly folks in Saco.

Lending a Hand

We have supported the good work of Habitat for Humanity through donations, but now we are putting our backs into the effort as well. On Friday June 1, 2007, the Tenant-Net team will join with Habitat for Humanity/Cumberland County to help build a new home for a deserving family in need.

Our office will be closed Friday June 1 so all our staff can join in, but to minimize any inconvenience to you, Tenant-Net will be open for business and have regular hours on Saturday June 2, 2007.
