Tenant-Net/Self-Storage is Here!

Tenant-Net, Maine's most trusted source for background screening, now offers its comprehensive service to the Owners/Managers of self storage units.

With so much riding on each decision, why wouldn't you want the Due Diligence and peace of mind afforded by Tenant-Net?

Over 1500 Maine Property Owners/Managers Rely on Tenant-Net!

WHY...because we put 88,000 eviction records at your fingertips.

WHY...because Tenant-Net created Maine's only on-line application portal for tenants (Padzilla.Com) where tenants can apply for a unit, pay our search fee directly with their credit card, saving our customers time and expense!

WHO ELSE collects Maine small claims, disclosures and collections actions, and makes those a part of every background search...no one, just Tenant-Net.

SEX OFFENDERS and US FUGITIVES checks...all part of what we do. The last thing you need are criminals occupying and using your units.

WANT TO ASSESS CREDIT...Tenant-Net provides you with your applicant's full Credit Report, not a summary, and you'll learn their FICO SCORE!

Tenant-Net is Maine's premier tenant screening firm for these reasons, and many more. Call us at 1-800-883-2074 to learn more, or visit us at www.goodtenants.net.
